

Newtown Garage can fulfil all your automotive needs

Newtown Garage Ltd., your local Bosch Service Centre, has recently become an authorised agent of Blaupunkt, selling their top quality head units and satellite navigation systems. Pete Prior, Service Manager of Newtown Garage, says: "We have recently been appointed as a Bosch Car Service Centre – which means that customers benefit from the skills of a team with the most advanced training, equipment and techniques. Blaupunkt is a part of the Bosch Group and these partnerships will ensure we can offer our customers both great vehicle servicing, MOT and repair needs as well as all car multimedia accessories. Both companies carry an excellent global reputation, and so we at Newtown are very excited to have them onboard with us." Satellite Navigation Systems are becoming a necessity for today's drivers and the TravelPilot Lucca MP3 Sat Nav is a great

system that directs the driver accurately to their destination and upload their photographs and music on their device. What would normally be worth over £350 is now EXCLUSIVELY available at Newtown Garage for just £249.99! This is a limited special promotion – so act quickly and call us today! Whilst there, you will also experience Newtown's highly experienced team offering car servicing, MOT's, repairs and the latest diagnostic techniques – whatever your make or model of vehicle.

Newtown have already established an enviable reputation for German and Swedish Cars, not least because they exclusively stock the highest quality Bosch parts – in most cases the equivalent of the original manufacturer components – so Newtown Garage are adding to a brand already trusted around the world as of the highest excellence. Newtown Garage also stock and fit a vast selection of tyres, exhausts

and batteries fitted and guaranteed by an increasingly legendary Newtown Guarantee – 12 MONTHS INCLUSIVE OF PARTS AND LABOUR. To add to this Newtown also operate a "No Surprises" policy – meaning no job, however big or small – is ever commenced until the team have full customer authorisation. Most importantly, you will find your team at Newtown Garage, keen to update you on the latest government legislation to affect you the Motorist. "Did you know?..." Recent changes in European Legislation means Motorists have greater freedom to service their car at Bosch Service Centres without affecting their Manufactures Warranty. This amazingly means that New- "...It's great for the Motorist choice and cost saving to have the servicing and fault diagnostics conducted by Newtown Garage without having the manufacturers warranty invalidated."
